

FITTING INSTRUCTIONS

1. Place the parcel box in the desired place.
2. Open the box and mark the holes from the inside with a pen
3. Remove the parcel box to reveal the marked holes
4. Obtain a 10mm drill bit and drill down 80mm in depth
5. Clean the hole of dust and place bolt in ground
6. Remove nut and washer and place the parcel drop box on top
7. Screw down the nut to leave the parcel box fixed in place.

Never miss a delivery again
